Conformity examination applied for by :

ORAKEL N.V.
Geelsebaan 90
B - 2470 RETIE

Criteria for certification :

AVI Testing program :
Safety of toys directive 88/27/EEC (last modified by directive 93/68/EEC)
Standard EN 71-1 (12/1993) " Safety of toys - Mechanical and physical properties "
Standard EN 71-2 (10/1993) " Safety of toys - Flammability "
Standard EN 71-3 (09/1995) " Safety of toys - Migration of certain elements "
Standard ISO 10093 (11/1994) : " Plastics - Fire test - Standard ignition sources

Date on which the certification becomes valid : 9 February 1996

Conclusions of the examination :

The products comply with the above mentioned certification criteria, as confirmed by the test report of AVI ref. 540069600033.

Applicable certification system :

Type examination followed by supervision through verification tests on samples from the distributor's stocks.
The conformity of the product is guaranteed by the procedures for awarding and use of the VGS conformity mark. This only applies for specimen bearing the VGS mark.

The original version of this certificate is issued in French and Dutch.

Brussels, 12 February 1996
